Summary:

Seamaster 27ft cruiser for river motoring; ideal for use on the river Medway near Maidstone Kent, where it been since 2000.

SANTANA

Lovingly and immaculately restored between 2000 – 2014 Santana is a finely and thoughtfully appointed boat.

A full internal redesign and refit by a professional Shipwright provides a spacious user area with uncompromising function. Storage is ample with stairways, seating and cupboards designed with this in mind. All new upholstery and fully restored wood make a smart and attractive spacious accommodation.

Along with an all new cabin layout, all new galley appliances, lights, new gas and water pipe work, the engine and gearbox were removed overhauled and refitted by a Norfolk broads BMC specialist. All the wood was stripped and varnished and the windows were removed and refurbished.

An Eberspacher diesel heater for heating and calorifier has been installed for hot water. A battery charger has been installed with 2 batteries engine start / domestic) along with shore power through an RCD in line with BSS.

Santana provides a remarkable and trustworthy investment. Her hull was professionally sandblasted and coated with West Systems epoxy as part of her restoration and bi-seasonal inspection and anti-foul in 2019. Along with the engine overhaul she received a completely new exhaust system, new stainless steel shaft, new cutlass bearings and a new prop.

Externally she has received new grab handles, stainless removable davits, new canopy with a summer and winter cover. Decks feature non-slip paint, toe-rail and rubber fender. There is also a folding bathing platform and outboard bracket.

SANTANA

The main cockpit provides ample seating for socialising with a glass of wine whilst admiring the views. The rear bench seat, accommodates three or four comfortably and provides storage beneath. The addition of side box seats which assists comfortable access, and provides the option of an additional berth if required. There is a swing table for al-fresco dining and radio speakers.

The helm 'captain's' and buddy seats give a commanding driving position without disturbing the movement of other people around the boat. The helm includes VHF radio and depth sounder

In the main cabin you will find well-appointed galley starboard, and a sizeable seating area and multi-use dining area port side converting to a comfortable double bed for additional guests.

The galley features a microwave, oven/hob/grill and 3 way externally exhausted fridge.

Under the foredeck in the master V-berth providing the option of fixed private sleeping space if required. Separating this room is the head with sea toilet and sink port side and wardrobe storage starboard.

A fabulous boat that can be used immediately with confidence and enjoyed for years either playing in the estuary, taking trips to the Thames or pottering to remote weekend moorings.
