Castle Quay are pleased to offer this very well kept example of a traditional cruiser back narrow boat. Lovingly looked after by a woodworking craftsman this open and practical boats sports many unique and artistic features. Ideal for a home-from-home bijou or perfect as a spacious and comfortable live aboard home that is ready to be used straight away.

Liverpool Boats *NEHALENNIA*

The living accommodation has many lovely features, from stained glass windows (removable) to its narrow boat specific sofa bed with built in storage, there is also a quality solid pine free standing dresser. The lounge can be easily moved around to provide different areas from a cosy night in front of the woodburner to entertaining for dinner by simply adding a table

Ideal to take to London for a
liveaboard

Open plan kitchen is great for social entertaining and the spacious and cleverly thought out walk-through kitchen includes a chest height vanette oven for easy access and viewing whilst cooking, a 12v shoreline fridge and significant storage in full-size kitchen cupboards. The well placed side hatch means you never lose sight of the view even n when cooking at the hob.

Liverpool Boats *NEHALENNIA*

Despite the cosy and traditional feel this boat boasts a huge modern bathroom, with full size shower, with a reliable gulper shower bilge, stylish modern sink, Thetford cassette toilet and heated towel rails, plus further storage.
